Corrective Actions Completed - Lock Report

This Project Construction Stormwater Review Report (Report) assist Caltrans HQ DEA-WQP with implementing the construction site self-Audit Program required by the Caltrans NPDES Permit (refer to Caltrans Construction Compliance Evaluation Plan (CCEP) CTSW-PL-15-321.02, February 2015-REVISED).

Instructions for completion of each field on the Report can be found by "mousing over" the respective field. The Report completion Process is:

1. IQR Review – The Independent Quality Assurance (IQA) Reviewer provides entries on the Report from observations made during the construction site stormwater review. The IQA Reviewer then signs a hard copy of the completed Report and, after a quality control check by IQA Management Staff, submits to the Resident Engineer (RE) and the District Construction Stormwater Coordinator(DCSWC). The IQA Reviewer then selects from the respective pull down menu and inserts the statement, "Original signed by" followed with their first and last name and date (MM/DD/YYYY) in the Report field "IQR REVIEWER SIGNATURE" . THE IQR Reviewer clicks the "Lock" button and emails the Report to the RE, Senior RE, Construction Manager, DCSWC, and DEA-WQP.

2. Corrective Action Documentation – After all corrective actions have been completed and documented, the RE verifies and documents successful completion of corrective actions(s) with a signatures on the original review report. The signed copy will be submitted to the DCSWC and DEA-WQP. Then the RE selects from the respective pull down menu and inserts the following statement "Original signed by" followed with their first and last name and date(MM/DD/YYYY) in the form field "CORRECTIVE ACTION VERIFIER SIGNATURE". The RE then clicks the "Lock" button and emails the Report to the Senior RE, Construction Manager, DCSWC and DEA-WQP.
